The Questioners Class

The Questioners Class seeks out all the people whose parents and pastors ever told them not to ask so many questions. Our lead teacher Bob Saye was such a child. For many of us, spiritual development has come from dealing honestly with our hearts and minds on questions of faith. We will deal with the conflict of faith and knowledge and seek to grow beyond questions and doubts. Subjects will include contemporary Biblical scholarship and concepts in contemporary theology.

Enjoy sharing our midlife adventures, as well as ways we have matured in our spirituality and our plans for an inspiring future.
