JULY 5 - 9

9 AM - 12 NOON

**A Bible Times Experience
for children ages 3 to rising
6th graders**

Join us as we go back in time ...

Join us this summer as we travel back in time! Students aged 3 years through those having just completed the 5th grade will experience the Bible as never before with **Marketplace 29 A.D.** ... each day they will re-live Bible times, exploring and experiencing the occupations, trades, sounds, and (in some cases) even smells known by Jesus and his disciples!

Each assigned to one of twelve "tribes," children will begin each morning in their tribes, checking in, and sharing together in some Bible-times prayers and family rituals. Then, they will begin rotations that will take them to music and recreation stations, as well as the Marketplace, where they will learn about biblical trades and crafts, such as rope-making, carpentry, pottery-making, jewelry-making, and weaving, among others. And they will meet with several other surprises ... human and otherwise!

Don't miss this unique opportunity to travel back in time and learn about the people and stories of the Bible in a way you never have before!

Volunteer opportunities are listed on the other side of the registration form.
