This lively text was written for the 90th anniversary of St. Olaf College in Northfield, Minnesota. Echoing Psalm 98, it is a prime example of a 20th-century hymn style based on phrases rather than complete sentences. The exuberant tune was created expressly for these words.

This text affirms that Christian unity is not achievement but gift, one renewed each time we gather for the Lord's Supper. Each of us enters as an "I" and leaves as part of "we." The unadorned language of this text is well matched to the simple shape note tune that sets it here.
